Report of Historic Technical Committee for SAMSC Meeting 14 September 2021

There was a meeting of the Historic Technical Committee (via Zoom) on 6 July.
There are no further meetings scheduled in 2021.

Amongst the topics addressed in were:

Phasing out of homologation of 4 point harnesses.

The issue of it not being possible to fit a 5/6 point harness to some Historic vehicles has now been raised with the FIA for consideration.

Sustainability and Environmental Working Group.

An interim report of the Historic Motorsport Sustainability Working Group highlighting the issues that are faced has now been completed. Work is ongoing on the next stage which aims to generate proposals and recommendations for ensuring the viability of Historic Motorsport.

As always if anyone has any issue relating to Historic Motorsport they wish to be raised then please let me know.
