2009/01	Number of events Dan Wright opined that the number of events was a national problem requiring a national solution from Motorsport UK and it should not be left to the Regional Associations to have to resolve. Dan observed that a significant proportion of motorsport in the UK is said to take place outside the auspices of Motorsport UK which creates a commercial threat. Dan proposed that a meeting be sought with the Motorsport UK senior executive to consider the issue. At Bruce's request, Sandy Denham agreed to take the matter to Motorsport UK and report back in due course. Closed by Agenda item 5.	Sandy Denham
2009/02	Future of Rallying Sandy Denham intimated that the future of rallying was on the agenda for the next MSC meeting and asked for details if anyone wished any points raised. Closed by Agenda item 5	All Member Clubs
1511/05	Motorsport UK Committee Member Reports Graham Couser undertook to provide a written report for the Historic Technical Committee. Closed – report issued along with this Action Log.	Graham Couser
